Nairobi, Kenya

I am a passionate and dedicated Product Designer with hands-on experience in user research, user testing, wireframing, prototyping, design systems and visual design tools such as Figma and Adobe XD. I love working on experiences that address the needs of different people. I am looking for a role where I can contribute my design expertise to meaningful projects, while expanding my skills in creating innovative, accessible, and user-focused digital products.

## PROFESSIONAL SKILLS

User research and user flows	Figma, Adobe XD	WCAG Accessibility	Design Tokens
Wireframes and Prototypes	Adobe Creative suite	Design Documentation	HTML, CSS
Usability testing	Design systems	Developer handoff	JavaScript, React

## PRODUCT DESIGNER
