

# WALTER KIBET

## PRODUCT DESIGNER UX/UI

Portfolio: <https://walterkibet.onrender.com/>

An award-winning Product Designer UX/UI with 2+ years of experience in designing B2B and B2C fintech products and building design systems, skilled in user research, user testing, wireframing, prototyping, design systems and visual design tools such as Figma and Adobe XD. I love working on experiences that address the needs of different people. I am looking for a role where I can contribute my design expertise to meaningful projects, while expanding my skills in creating innovative, accessible, and user-focused digital products.
